- ☞ "I've managed for two weeks without harming. I don't want to start again"
- ☞ "Once I start it's difficult to stop"
- ☞ "I'll regret the damage afterwards"
- ☞ "It doesn't help in the long run. I can harm now but I'll need to do it again in a couple of days."
- ☞ "I don't want to end up in hospital"
- ☞ "If I can hang on the need to self-harm sometimes passes"
- ☞ "There may be consequences I don't want e.g. brain damage, paralysis"
- ☞ "Self-harm affects my relationships"

1. When you're feeling good write yourself a letter you can read when you want to self-harm
2. Write down why you *do not deserve* to be hurt
